English · Grade 1

Count from one to five in English

Read or look closely

Show fingers as you say: one, two, three, four, five.

Answers

1. Listen to “two.” Show that many fingers.

2

2. Show four fingers. Say the number in English.

Four.

3. Draw “three stars.”

3 stars.

4. Count in English. Say the number that comes after “four.”

Five.

5. A grown-up shows one to five objects. Count them aloud in English.

Say the numbers in order, one for each object.
