English · Grade 1

Say colours in English

Read or look closely

Point to a red object and say “red.” Then try blue, green and yellow.

Answers

1. Find a crayon that is “blue.” Point to it and say “blue.”

Blue.

2. Find a “green” object in the room.

Example: a green plant.

3. Draw a circle. Colour it “yellow.” Say the colour in English.

A yellow circle.

4. A grown-up says “red” or “blue.” Point to an object of that colour.

The object should match the colour the adult says.

5. Draw two objects. Say their colours in English.

Example: red, green.
