Give an opinion in an English message

Read or look closely

“I think our school should have a reading corner. It would give students a quiet place. It would also make books easy to share.”

Answers

1. What idea does the writer support?

The school should have a reading corner.

2. What is the first reason?

It would give students a quiet place.

3. What is the second reason?

It would make books easy to share.

4. Write another reason in English to support the idea.

Example: Students could recommend books to each other.

5. Suggest a change for your school and give two reasons in a short English message.

Example: We should plant a tree. It would give us shade and a place to watch birds.
