English · Grade 6

Organize instructions in English

Read or look closely

First, fold the paper in half. Next, write your name on the front. Finally, open the card and draw a picture inside.

Answers

1. What verb gives the first action?

fold

2. Where do you write your name?

On the front.

3. When do you draw the picture?

After opening the card, in the final step.

4. Think of one step to do after drawing the picture. Write the instruction in English. Start with an action verb.

Example: Put the card in an envelope.

5. Write three English steps for packing your school bag.

Example: First, check your schedule. Next, pack your books. Finally, add your lunch.
