Organize instructions in English

Put steps in order and choose clear action verbs.

Name _____ Date _____

Read or look closely

First, fold the paper in half. Next, write your name on the front. Finally, open the card and draw a picture inside.

Your turn

1. What verb gives the first action?

2. Where do you write your name?

3. When do you draw the picture?

4. Think of one step to do after drawing the picture. Write the instruction in English. Start with an action verb.

5. Write three English steps for packing your school bag.
