French · Grade 1

Capitals and periods in French

Find the start and end of a French sentence.

Name _____ Date _____

Read or look closely

“le chat dort” becomes “Le chat dort.” The capital starts the sentence.

Your turn

1. Copy the French words that follow. Put a capital at the start and a period at the end: le chien jappe

2. Copy the French words that follow. Put a capital at the start and a period at the end: la neige tombe

3. Copy the French words that follow. Put a capital at the start and a period at the end: un lièvre saute

4. Copy the French words that follow. Put a capital at the start and a period at the end: mon vélo roule

5. Read “Le chat court. Le chien dort.” How many sentences do you count?

6. Write a short French sentence about an animal.
