French · Grade 1

First sounds in French words

Read or look closely

I say the French word “moto.” I hear “mmm” at the start. I write the letter m.
You can ask an adult to read the words to you.

Answers

1. Say “lune” out loud. What sound do you hear first? Write the letter that makes that sound.

l

2. Say “rat” out loud. What sound do you hear first? Write the letter that makes that sound.

r

3. Say “sac” out loud. What sound do you hear first? Write the letter that makes that sound.

s

4. Say “mur” out loud. What sound do you hear first? Write the letter that makes that sound.

m

5. Circle the two words that begin with the same sound as “lune”: lit, robe, lapin.

lit, lapin

6. Draw something whose French name begins with the same sound as “soleil.” Say its name.

Example: un soulier (a shoe).
