French · Grade 2

Alphabetical order in French

Sort French words by looking at the first letter.

Name _____ Date _____

Read or look closely

“chat” comes before “livre” because c comes before l.

Your turn

1. Put the words in alphabetical order. lune, ami, sac

2. Put the words in alphabetical order. vélo, chat, rat

3. Put the words in alphabetical order. moto, abri, gomme

4. Put the words in alphabetical order. ski, ballon, fort

5. Compare the second letters in “lama” and “lime.” Write the two words in alphabetical order.

6. Explain why “pomme” comes after “cabane.”
