French · Grade 4

Make an inference from clues in French

Connect clues to understand what the French story suggests.

Name _____ Date _____

Read or look closely

Léa rentre avec les joues rouges. Elle pose sa tuque près du calorifère. Ses mitaines laissent des gouttes sur le tapis. Dehors, le trottoir est couvert de neige.

Your turn

1. Where does Léa put her hat?

2. Which words show her mittens are wet?

3. Is Léa probably coming in from outside or from the basement? Give one clue.

4. Why might she put her hat by the heater?

5. Does the text say directly that there is snow? Copy the French sentence that shows it.
