Mathematics · Grade 1

Compare numbers to 20

Find the greater or smaller number.

Try the first question with an adult. You can use counters or draw a picture.

Name _____ Date _____

Worked example

8 is greater than 5. We reach 8 after 5 when we count.

Your turn

1. Circle the greater number: 3 or 6.

2. Circle the greater number: 7 or 5.

3. Circle the greater number: 12 or 9.

4. Circle the greater number: 13 or 15.

5. Circle the smaller number: 18 or 16.

6. Circle the smaller number: 10 or 14.

7. Write the numbers from least to greatest: 17, 12, 15.

Mathematics · Grade 1

Compare numbers to 20

Worked example

8 is greater than 5. We reach 8 after 5 when we count.

Your turn

8. Léa has 11 blocks. Sami has 14. Draw both groups. Write the name of the person with more blocks.
