Mathematics · Grade 1

# Subtract within 10

Take objects away and count what is left.

Try the first question with an adult. You can use counters or draw a picture.

Name _____ Date _____

## Worked example

7 - 2 = 5. I draw 7 dots, cross out 2, then count 5.

## Your turn

1. Draw 4 counters. Cross out 1 counter and fill in 4 - 1 = ___.

2. 6 - 2 = ___

3. 8 - 3 = ___

4. 9 - 4 = ___

5. 10 - 3 = ___

6. 5 - 5 = ___
