Mathematics · Grade 3

Column addition with regrouping

Regroup ten ones as one ten.

Name _____ Date _____

Worked example

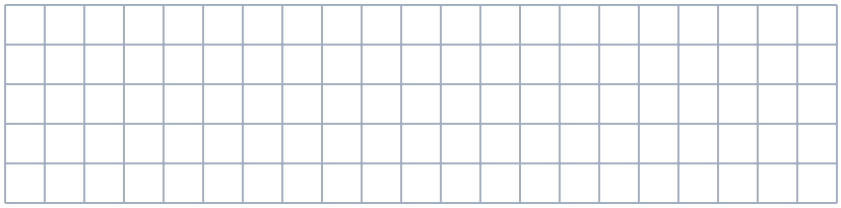

37 + 25: 7 + 5 = 12 ones. Write 2 ones and carry 1 ten. 3 + 2 + 1 = 6 tens, so 62.

Your turn

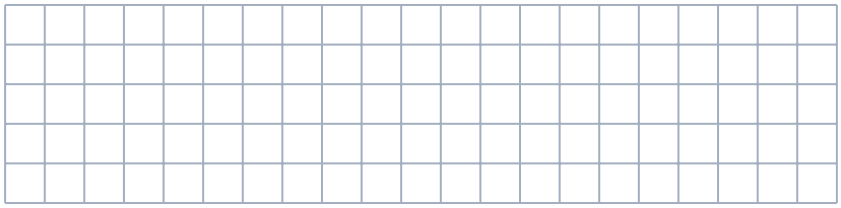

1. For 46 + 27, add the ones first. How many ones before regrouping?

2. Make a ten with 10 of the 15 ones. Write how many tens you have and how many ones are left.

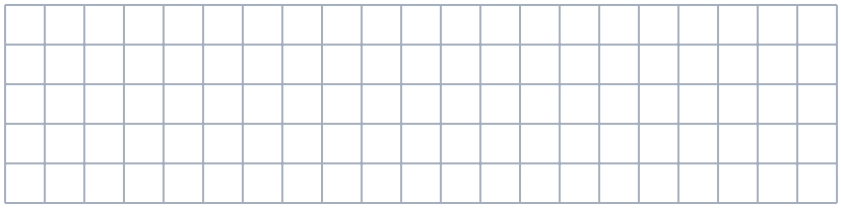

3. 24 + 37 = ____

4. 48 + 23 = ____

5. 52 + 16 = ____

Mathematics · Grade 3

Column addition with regrouping

Worked example

37 + 25: 7 + 5 = 12 ones. Write 2 ones and carry 1 ten. 3 + 2 + 1 = 6 tens, so 62.

Your turn

6. 36 + 49 = ____

7. There are 38 French books and 24 English books. How many altogether? Show your work.

8. Noah writes 58 for 28 + 36. Check by writing the addition in columns.
