Mathematics · Grade 3

Multiply with equal groups

Worked example

3 bags of 4 marbles: 4 + 4 + 4 = 12, so 3 × 4 = 12.

Answers

1. Write a multiplication for 2 groups of 5.

2 × 5 = 10

2. Write a multiplication for 4 groups of 3.

4 × 3 = 12

3. Write a multiplication for 3 groups of 6.

3 × 6 = 18

4. Write a multiplication for 5 groups of 2.

5 × 2 = 10

5. Write a multiplication for 4 groups of 5.

4 × 5 = 20

6. Write a multiplication for 6 groups of 3.

6 × 3 = 18

7. Draw 3 rows of 5 chairs. How many chairs altogether?

3 × 5 = 15

8. Four students have 3 pencils each. Write the calculation and total.

4 × 3 = 12
