Mathematics · Grade 3

Multiply with equal groups

Write a multiplication for equal groups.

Name _____ Date _____

Worked example

3 bags of 4 marbles: 4 + 4 + 4 = 12, so 3 × 4 = 12.

Your turn

1. Write a multiplication for 2 groups of 5.

2. Write a multiplication for 4 groups of 3.

3. Write a multiplication for 3 groups of 6.

4. Write a multiplication for 5 groups of 2.

5. Write a multiplication for 4 groups of 5.

6. Write a multiplication for 6 groups of 3.

7. Draw 3 rows of 5 chairs. How many chairs altogether?

Mathematics · Grade 3

Multiply with equal groups

Worked example

3 bags of 4 marbles: 4 + 4 + 4 = 12, so 3 × 4 = 12.

Your turn

8. Four students have 3 pencils each. Write the calculation and total.
