Science and technology · Grade 1

Observe with your senses

Choose a sense to describe an observation.

Explore the topic with an adult if you need help.

Name _____ Date _____

Read or look closely

A bell rings. I use hearing to describe its sound. Observe familiar objects without tasting them.

Your turn

1. Which sense lets you hear a drum?

2. Which sense lets you see a pencil's colour?

3. Which body part helps you smell an orange?

4. A rock can be smooth or rough. Which sense helps you check?

5. Choose an object you can observe safely, such as a pencil. Draw it. Say one thing you can see or feel by touching it.
