Science and technology · Grade 1

Recognize living things

Use a clue to tell a living thing from a manufactured object.

Explore the topic with an adult if you need help.

Name _____ Date _____

Read or look closely

A bean plant grows. A toy shaped like a plant does not grow.

Your turn

1. Is a cat a living thing?

2. Does a plastic chair grow like a plant?

3. Which clue shows a caterpillar is alive? It grows or it is plastic?

4. A battery-powered toy can move. Is that enough to say it is alive?

5. Draw and label a living thing and a manufactured object.
