Landmarks in the schoolyard

Read or look closely

The bench is near the entrance. The ball is under the bench. The slide is far from the entrance.

Answers

1. What is under the bench?

The ball.

2. What is far from the entrance?

The slide.

3. Reread the schoolyard description. Draw the entrance, bench and ball. Put the bench and ball where the text says they go.

The bench is near the entrance and the ball is under the bench.

4. Choose two things in your schoolyard or a park. Use “near” to write where one is in relation to the other.

Example: The bench is near the tree.
