Objects then and now

Read or look closely

As a child, Ari's grandmother wrote letters to her cousin. Today, Ari sometimes sends her a message on a tablet. People can still write letters.

Answers

1. What did the grandmother use to share her news?

A letter.

2. What device does Ari use?

A tablet.

3. What can you do with both a letter and a message?

Share news with someone.

4. Can people still write letters today? Copy the words in the text that give the answer.

Yes. "People can still write letters."
