Social studies · Grade 4

Work in New France around 1645

Compare the roles of three activities in New France.

Name _____ Date _____

Read or look closely

Some residents farm to produce food. Artisans make or repair objects. Merchants buy and sell goods, including furs.

Your turn

1. Who produces food in the text?

2. According to the text, who can repair an object?

3. Which good is named?

4. Imagine a family needs to trade grain and repair a tool. Who might they speak to? Explain.
